Next Steps agreed by Participants

Julie Leonard, USAID/OFDA
Tony Elliott, IOC UNESCO
Next Steps…

- Bring all islands to the same level of SOP development
- Regular training and refresher workshops in SOPs and tsunami warning support tools including science aspects of tsunami warning.
- Share best practices on protocols, interagency cooperation etc
- Support for the development of regional policy including school curricula
- Workshops should also be conducted in Spanish and French
- More support for development of CBEWS for vulnerable communities.
- Adaptation of educational and awareness material for the national level use
- Education and Outreach programmes – in the workplace; at schools etc
- Media workshop – to be put on agenda for WG4 of ICG
